In case of absence

17 Place des Tilleuls – 33490 CAUDROT

To the left of the front door, there is a key box, a small hatch slides from the bottom, and you will have access to a 4-digit code, please enter code **2802**

There are two keys inside, the black key is for the front door, the gray key is for the front door of the accommodation.

The corridor serves two accommodations, yours will be on the right (i.e. not the one opposite).

- The instructions for using the dishwasher and the combi oven (oven or microwave) are on the tablet,
- In the refrigerator, two bottles of water are present for you,
- A coffee maker and a teapot are available. In the upper cabinet, a box contains coffee and tea,
- Under the bench, there are two chairs (the chaise longue raises),
- The black table is raised via a lever if necessary,
- A remote control is present on the multi-colored piece of furniture at the entrance, simply direct it to light or extinguish the candles located on the stairs or near the window, by pressing ON or OFF,

Jacuzzi :

- No products in the spa (no oil, no bath product),
- You must put the water level above the last nozzle just below the white headrest, before turning it on

Orange line:Minimum water level before switching on,

Blue triangle:Opening the water (one direction for the waterfall part, one direction for the shower part to clean the spa),

Green circle:the thermostat,

- The manufacturer recommends a duration of 20 minutes.
 - o Just press that P button when you're in and the program is automatic :  Button on the far left. If you want chromotherapy (light at the same time), you can press the light button. All you have  to do is let yourself be lulled during these 20 minutes,
- A mop is also located under the vanity unit to wipe up splashes of water from the spa,
- After emptying the spa, you will hear a purging noise, don't be surprised, this is to disinfect and purge.

- The candles are on the upper cabinet, this is turned on/off via a button below each candle,
- A hairdryer is located under the bathroom vanity unit,

Because you won't need it, you will find a fire extinguisher in the common entrance corridor, a first aid kit (in the top cabinet, under the heart).

In case of problems: 06-72-50-95-31 or 06-59-52-65-86

When you leave, you can leave the keys in the key box to the right of the accommodation door (the code is 2902).

You can leave the trash in the accommodation. We will come by after you leave to take care of it.

Have a good stay,
